

Blue Tick
Product
Certification

**Approved by Furntech-AFRDI
based on AFRDI Standard 126:2003 –
Monitor arms for visual display units**

Certificate No.
14250/2
Expires
21 August 2021

Supplier: **Uplifting Solutions**

Description: **62457-7000-500 Monitor Arm
(with desk edge mount)**

Tested at Level 3 (24 hour day multi person usage)

Monitor arm's maximum recommended load: 13 lbs (5.9 kg)

Certification is based on the above Standard and any additional testing and/or assessment conducted by Furntech-AFRDI during auditing processes.

The supplier having agreed to maintain the compliance of the product and to submit to retesting and auditing as appropriate, the Australasian Furnishing Research and Development Institute hereby certifies the product under the AFRDI Blue Tick Product Certification Program.

The maximum recommended load is specified by the manufacturer and used as the basis of the AFRDI 126 strength and fatigue test loads.

This certification relates to a monitor arm with the following features and is valid for three years but may be suspended, revoked or renewed.
