

Staxx™

Modularity. Flexibility. Simplicity.

The Staxx™ is a complete modular display system, utilising a configurable pole based system that supports up to six monitors.

Staxx™ is easy to install and reconfigure, more monitors can be added by simply stacking more of the same parts on top of each other. Staxx™ is capable of mounting three monitors, up to 30" wide, side-by-side with flexible extension arms that allow you to position the monitors for your perfect viewing angle.
